Warranty Repair:

Date Purchased: _____

If not purchased directly through Chicken Hawk Racing, you will need to include a copy of your paid receipt.

New warmers come with a 1 year warranty against manufacturers defects. Should it be determined that the warmer has been damaged from misuse, it will not be covered under warranty, and you will be notified of the charges for repair & shipping.

Out of Warranty Repair:

All Repairs are performed at a FLAT RATE cost of \$85 per warmer. Tire Warmers which are sent in only for Evaluation will be Bench Tested for a fee of \$30 should no work be performed on the product. If it is decided a repair is necessary the Evaluation fee will be forgiven and only the \$85. flat Rate will be charged.

Product that is worn out or has damage which cannot be reliably repaired or which makes no economic sense to repair will not be repaired. If this is the case a "Trade In" of the product towards a replacement is possible.

I agree to a total repair cost of \$85 per warmer for repairs to be performed on my tire warmers, as well as the cost of UPS Ground shipping
